The best holder for your creativity

THE PIVOTING HOLDER FOR YOUR ARRANGEMENTS

FlexiFlora™ is a very versatile and practical accessory for flower and plant professionals, allowing you to create customised arrangements and display them optimally.

*Thanks to its adjustability, this holder **allows you to make the most of every flower, plant or object that does not have its own stem**, making the flower arrangement a true artistic masterpiece.*

What would you put here?

FlexiFlora™
